Let Me PROVE I Can Make YOU A NEW MAN!

ARE you "fed up" with seeing the huskies walk off with the best of everything? Sick and tired of being soft, frail, skinny or flabby — only HALF ALIVE? I know just how you feel. Because I myself was once a puny 97-pound "runt." And I was so ashamed of my scrawny frame that I dreaded being seen in a swim suit.

The Secret of How I Got My Build

Then I discovered a wonderful way to develop my body fast. It worked wonders for me — changed me from the scrawny "runt" I was at 17, into "The World's Most Perfectly Developed Man." And I can build up YOUR body the very same natural way — without weights, springs or pulleys. Only 15 minutes a day of pleasant practice — in the privacy of your room.

My "Dynamic-Tension" method has already helped thousands of other fellows become real he-men in double-quick time. Let it help YOU. Not next month or next year — but Right NOW!

"Dynamic-Tension" Builds Muscles FAST!

If you're like I was, you want a powerful, muscular, well-proportioned build you can be proud of any time, anywhere. You want the "Greek-God" type of physique that women rave about at the beach — the kind that makes other fellows green with envy.

Mail Coupon Now for My 32-Page Illustrated Book

Mailing the coupon can be the turning point in your life. I'll send you a copy of my 32-page illustrated book, "How Dynamic-Tension Makes You a NEW MAN." Tells how and why my method works; shows many pictures proving what it has done for others. Don't delay. Mail coupon NOW. CHARLES ATLAS, Dept. R325 49W. 23rd St., New York, N.Y. 10010

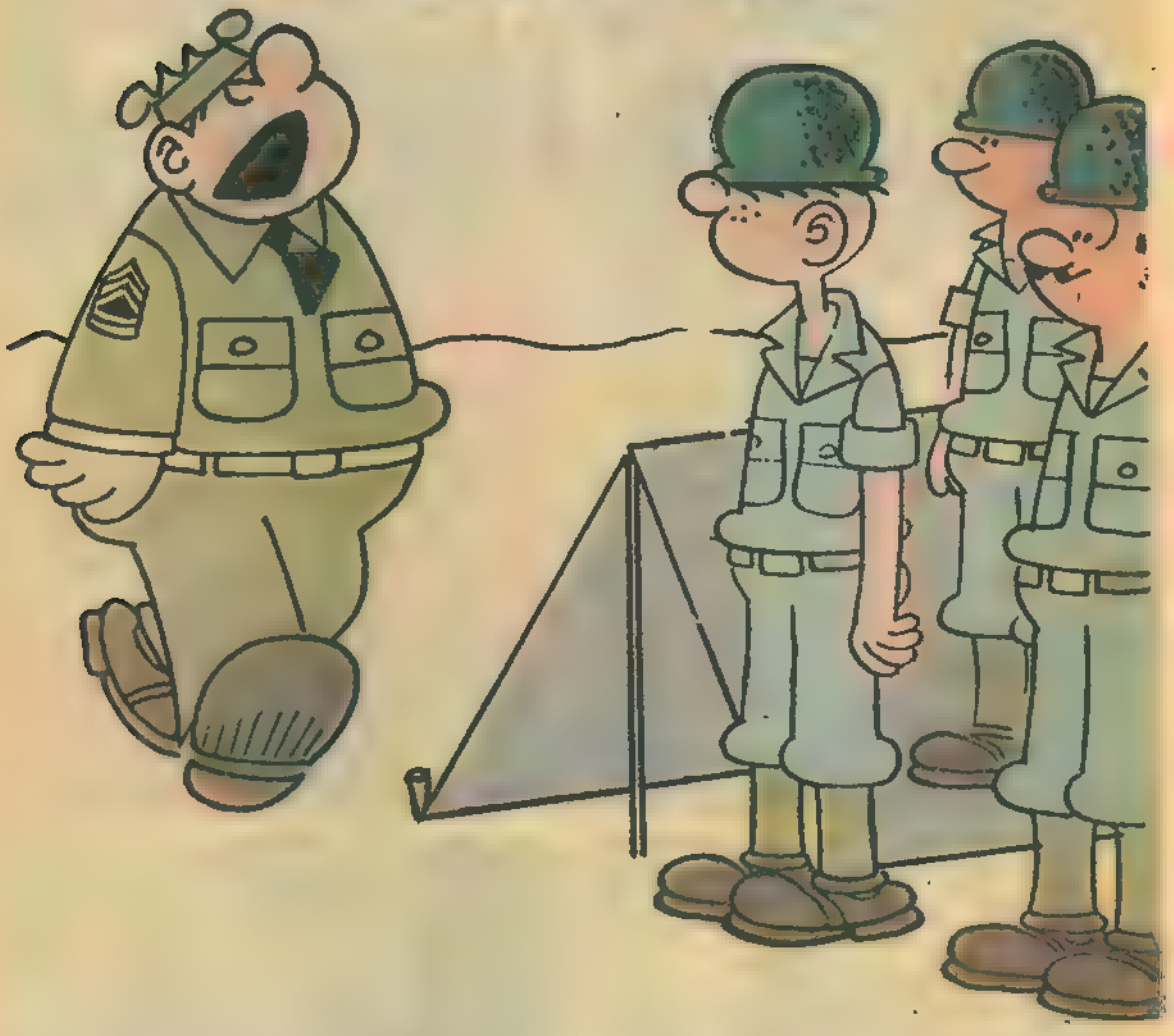
the MAD, MUD COMMANDO RAID



"All right, men, snap to it! The General wants to speak to you," shouted Lieutenant Fuzz.

None of the men moved. They had just marched out into the country to participate in the annual, war games, and they were too tired to budge. Marching twenty miles and pitching camp had drained all of the energy out of their bodies. They were just too tired to fall in. Exhausted soldiers dotted the campsite like blotches of human measles wearing combat gear.

Beetle was snoozing beneath a huckleberry bush. Killer was dozing while sprawled in the dust. Plato was plumb tuckered out and half asleep near a big boulder. Rocky and Hi-Fi were stretched out under shade trees. The only soldier who obeyed Lt. Fuzz's command was Zero. He immediately stood up and snapped to attention.

"I'll have all of you up on charges! I'll put everyone of you into the stockade. Get up and fall in or else!" threatened Lt. Fuzz as he shouted at the top of his lungs. The lieutenant looked over his shoulder and saw that the General was approaching.

"Please, men, please, get up!" begged the junior officer. "The General will be very mad if you're not at attention when he arrives."

Just then, Sergeant Snorkel stepped out of the bushes. He saw what was going on and didn't like what he saw.

"Snap to it, you lazy loafers, or I'll clobber each and every one of you good - for - nothing gold bricks!" he roared at the top of his lungs.

When Sergeant Snorkel gave an order, everybody obeyed it and fast. In a flash, the sleepy soldiers zipped into formation. They were lined up at attention by the time General Halftrack arrived at their camp.

"I had the men fall in just like you ordered, Sir," said the lieutenant as he clicked his heels and saluted his commanding officer.

"Men, I have an important message for you," began the General. "You probably know that we've never won the war games against the Blue Army. They beat us every year! This year, I'm going to start the games off with a surprise raid against their headquarters on the other side of the swamp. It's going to be a commando raid and I know that it is going to be successful!" the General paused before continuing.

"Who is he trying to kid?" Killer whispered to Beetle. "The Blue Army always beats us, and there is nothing we can do to avoid defeat at their hands. They outnumber us. They have one, smart officer. We don't have any!"

"If we can capture their headquarters, the war games will be over before they begin and Camp Swampy will win its first battle ever!" continued General Halftrack. "Now, I need four volunteers!"

"I volunteer," shouted Sarge Snorkel as he stepped forward.

"Me too!" bellowed Zero as he stepped out of formation.

A long silence followed. No one else wanted to volunteer. Everyone waited, but nothing happened.

Sarge Snorkel started to lose his patience. He stared at Killer and Beetle and they began to sweat. The Sarge curled his fingers into a fist and waved it at them in a threatening fashion. Killer and Beetle knew that they had no choice but to volunteer. Going on a commando raid was better than going on K.P. duty for the rest of their enlistments.

"We volunteer!" they shouted at the same time. Both of them took one step forward.

Killer and Beetle frowned. Sergeant Snorkel smiled from ear to ear. The General grinned. He had the four volunteers he needed for the commando raid.

Later that night, Sarge, Zero, Killer and Beetle were on their way. They were sneaking across the swamp toward the headquarters of the Blue Army.

"We're almost there! Now, do everything that I do," ordered the Sarge as he tiptoed through the ankle deep, swamp water.

Suddenly, he stepped in a big hole and disappeared beneath the water. When he reappeared, he was covered with mud from head to toe. He looked like a monster from outer space. A crayfish had gotten into his pants and was pinching him. The Sarge jumped up and ran right through the Blue Army's headquarters screaming like a maniac.

"He said to do everything that he does," mumbled Beetle as he shrugged his shoulders. One by one, the three volunteers jumped into the hole and emerged from it looking like living monstrosities made out of mud. Following the Sarge's example, they ran through the Blue Army's camp screaming like lunatics.

The Blue Army thought that they were being invaded by men from Mars. They broke ranks and ran. The Commando raid was successful, and Camp Swampy won its first war game!
